Grupa Medos zajmuje się produkcją akcesoriów do stolarki otworowej już od ponad 20 lat. Nasza pasja i zaangażowanie sprawia iż wciąż rozwijamy się i wprowadzamy coraz większą gamę produktów. Aktualnie na polskim rynku zaopatrujemy ponad 80% rodzimych producentów stolarki PCV i Aluminium, a nasze produkty znaleźć można w ponad 40 krajach Europy, Azji oraz Ameryki Północnej i Południowej.

Obecnie zatrudniamy blisko 500 osób. Trzon naszej produkcji stanowi nowoczesna odlewnia stopów aluminium oraz ZnAl, wtryskownia tworzyw sztucznych, malarnia proszkowa, galwanizernia, anodownia, tłocznia oraz obróbka mechaniczna stali i aluminium. Cały proces projektowania nowych produktów realizowany jest w naszej firmie, a wszystkie narzędzia wykonujemy we własnej narzędziowni.

Ciągłe poszukiwanie innowacyjnych rozwiązań i produktów, nowoczesna technologia, szybka realizacja zamówień, orientacja na klienta, profesjonalna i efektywna załoga, wysokie standardy i przywiązywanie uwagi do każdego szczegółu to fundament naszej firmy.

Dołącz do nas, razem otworzymy drzwi do sukcesu!

ENG

Medos Group has been manufacturing accessories for doors and windows for over 20 years. Our passion and commitment help us grow and introduce new range of products. Right now we supply more than 80% of Polish producers of PVC and aluminum, and our products can be found in more than 40 countries in Europe, Asia and South America.

Currently we employ around 500 people. The core of our production is a modern aluminum alloy and Zamak die casting foundries, plastic injection molding, powder coating, galvanizing and anodizing plant, machine pressing and machining of steel and aluminum. The whole process of designing new products is undertaken in our company, and all of the tools are made in our own tool shop.

Continuous research for innovative solutions and products, modern technology, fast execution of orders, customer orientation, professional and efficient staff, high standards and meticulous attention to detail is the foundation that we build our company upon.

Join us, together we will open the door to success!

ГК «Medos» занимается производством фурнитуры для окон и дверей уже более 20 лет. Увлечение своим делом и оперативность действий помогают нам развиваться и вводить новую гамму продуктов. В данный момент мы снабжаем более 80% польских производителей окон и дверей из ПВХ и алюминия, а наши изделия можно найти в более 40 странах Европы, Азии, а также Северной и Южной Америки.

У нас работает более 500 человек. Основой нашего производства являются современный литейный цех (производство изделий из алюминия и сплава цинка), литейный цех по производству пластмассы, цех порошковой покраски, гальванический цех, цех по анодированию, пробивные прессы и механическая обработка стали и алюминия. Весь процесс от проектирования до внедрения новых изделий осуществляется в нашей фирме, а все пресс-формы выполняются в отделе по разработке и конструированию деталей.

Постоянный поиск инновационных решений и новых продуктов, современная технология, быстрая реализация заказов, ориентация на потребителя, профессиональный и эффективный коллектив, высокие стандарты обслуживания и внимание к деталям – это фундамент нашей фирмы.

Приглашаем к сотрудничеству, вместе мы откроем дверь к успеху!
